Hope's Voice

Domestic Violence and Sexual Assault
Victim Support, Advocacy & Prevention

Why We Are Here

We are here to listen
NOT to work miracles

We are here to offer opportunities for a new path
NOT to walk anyone's path for them

We are here to help people discover their own strength
NOT to rescue them and leave them still vulnerable

We are here to help people discover they can help themselves
NOT to take responsibility for them

We are here to help people learn to choose
NOT to push them into choices that make us comfortable

We are here to provide support for positive growth and change
